Dear Mr. Jusčák,

With this letter I would like to express my gratitude to the team of "Prague Catering" and to you personally for the organisation and implementation of catering at the General Assembly of Erasmus Mundus Students and Alumni Association held at the Charles University in Prague.

The event was supported by the DG Education and Culture of the European Commission and gathered 180 students and young professionals from over 50 countries.

Organisation of such an international and multilingual event is always a challenge, and the team of "Prague Catering" indeed has greatly supported us with their customer focus, clear and precise communication matter and excellent quality of service and product. The personnel was efficient and friendly throughout the preparation phase, as well as during the two days of the meeting. I would strongly recommend the services of "Prague Catering" for further events and meetings.

Wish you much success in your further professional endeavours.

Best regards,

Natalia Spartakova
